Your choices

Access, Correction, Deletion

We respect your privacy rights and provide you with reasonable access to the Personal Data that you may have provided through your use of the Services.

If you wish to access or amend any other Personal Data, we hold about you or to request that we delete any information about you that we have obtained from an Integrated Service, you may contact us.

At your request we will have any reference to you deleted or blocked in our database.

You may update, correct, or delete your Account information and preferences at any time by accessing your Account settings page on the Service.

Please note that while any changes you make will be reflected in active user databases instantly or within a reasonable period of time, we may retain all information you submit for backups, archiving, prevention of fraud and abuse, analytic, satisfaction of legal obligations, or where we otherwise reasonably believe that we have a legitimate reason to do so.

You may decline to share certain personal data with us, in which case we may not be able to provide to you some of the features and functionality of the Service.

At any time, you may object to the processing of your personal data, on legitimate grounds except if otherwise permitted by applicable law.

Intended use of personal data

Unless you want to use advanced features in applications, we do not require any form of registration, allowing you to use the application without telling us who you are.

However, some services do require you to provide us with personal data.

In these situations, if you choose to withhold any personal data request by us, it may not be possible for you to gain access to certain parts of the application and for us to respond to your query.

How we use the information we collect

We use the information that we collect in a variety of ways in providing the service and operating our business.

Including the following operations:

- Maintain, enhance and provide all features of the service, to provide the services and information that you request, to respond to comments and questions and to provide support to users of the service we process client data solely in accordance with the directions provided by the applicable client or user improvements.
- We may use a visitor or user email address or other information **other than client data** to contact that visitor or user for administrative purposes such as customer service, to address intellectual property infringement, right of privacy violations or defamation issues related to the client data or personal data posted on the service.
